Introduction

This manual is the operational guide for the Executive Committee and other Committees of the Southern Association of Collegiate Registrars and Admissions Officers (SACRAO). The manual includes brief descriptions of responsibilities and a suggested calendar of activities to fulfill these responsibilities.

The manual is revised annually. The Executive Committee and members of SACRAO may make suggestions for revisions to the content of this manual. Recommended revisions should be submitted to the Immediate Past President, who serves as the Editor of the manual. The updated manual is shared on the SACRAO website.

Mission Statement

The mission of the Southern Association of Collegiate Registrars and Admissions Officers (SACRAO) is to provide for the dissemination of information, exchange of ideas, and leadership in policy interpretation in the region. To maintain a leadership position in pursuit of this mission, SACRAO identifies and promotes standards and best practices affecting admission officers, registrars, and other academic support and student services professionals.

History

SACRAO began in 1947 as an adjunct group of registrars and admissions officers who met for one and one-half days in conjunction with the Annual Meeting of the Southern Association of Colleges and Schools, a regional accrediting body. The first meeting was held in Louisville, Kentucky. In December of 1972, SACRAO elected to start meeting at a time and place determined by its Executive Committee and held its meeting in New Orleans. SACRAO was incorporated as a nonprofit professional organization in September 1986. The Annual Meeting has grown from an attendance of less than one hundred to several hundred and from the one-and-one-half day format to a three-day Annual Meeting, sometimes preceded by a day of pre-conference workshops.

Membership as of April 1, 2023, was approximately 349 institutions, 40 corporate partners, and 3 educational agencies, represented by almost 3200+ individuals, plus 5 Associate Members and 187 Honorary Members from colleges and universities in a fourteen-state (and one Commonwealth) Southern region: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, Puerto Rico, South Carolina, Tennessee, Texas, Virginia, and West Virginia.

Purpose

The corporation is a nonprofit, professional association whose purposes, as prescribed by the Constitution and Bylaws, are to provide for the spread of information and the interchange of ideas on problems of common interest; to contribute to the advancement of higher education in its fullest and broadest implications; to foster a friendly spirit of unity and cooperation among its members; and to function as a unifying and coordinating agency among the separate state organizations represented in SACRAO and with the American Association of Collegiate Registrars and Admissions Officers. The association, through the Annual Meeting, Newsletter, *The SACRAO Journal*, and other activities, promotes:

- The advancement and improvement of academic records, admissions, data management, enrollment services, financial aid management, international education, and registration practices through study, education, and research

- The advancement of professional knowledge and techniques by fostering the exchange of experiences and information
- The development and advancement of standards of competence in the profession

Strategic Plan

Goal 1

To disseminate information and exchange ideas:

- Develop publications to inform the membership and prospective members
- Have a SACRAO representative attend state and national meetings
- Inform first-time attendees at the SACRAO Annual Meeting about SACRAO goals, structure, and meetings

Goal 2

To provide leadership in policy interpretations and implementations:

- Conduct professional workshops and sessions to keep the membership informed of current practices and changes in the profession

Goal 3

To promote standards and best practices affecting admission officers, registrars, and other academic support and student services professionals:

- Recognize individuals within the membership who have contributed to the advancement of the profession
- Provide sessions at the SACRAO Annual Meeting using internal and external experts
- Evaluate program sessions, workshops, and conferences

Goal 4

To foster a friendly spirit of unity, cooperation, and support among SACRAO members:

- Promote and provide opportunities for members to get acquainted
- Plan and advertise a SACRAO reception at the annual AACRAO meeting

Goal 5

To reflect in the activities of the organization a balanced representation of personal and professional characteristics such as professional area of responsibility, gender, ethnicity, state, and institutional type:

- Increase participation of institutions within the SACRAO region that are not members
- Increase the participation of under-represented SACRAO members within the organization

General Policies and Procedures

Below are the general policies and guidelines for SACRAO. For additional information, consult the SACRAO President.

Annual Meeting

Special Guidelines

- The President-Elect should keep the Local Arrangements Committee (LAC) chair current regarding the budgetary and physical arrangements decisions about outside presenters.
- The President-Elect should work through the vice presidents to secure the travel arrangements for outside presenters.
- Set a limit of \$2000 total to be spent on all outside presenters. This limit should be examined periodically to meet the needs of the association.
- Set a limit to be spent on audiovisual equipment. This limit should be examined periodically to meet the needs of the association.
- Plan for a 5% return to SACRAO, in addition, to a return of the advance.
- In planning the Summer Planning Meeting, avoid state association meeting dates.
- The LAC may, at its discretion, refund conference registration fees after the stated deadline and minus any stated cancellation fees for compassionate reasons, such as illness and death in the family or due to extreme weather conditions. Such refunds will be made only following the conference, and after the finance chair is confident that any budgeted returns to SACRAO can be made.

Registration

SACRAO members and conference attendees from member institutions are expected to pay the registration fee for the Annual Meeting and are not subject to a waiver of this fee. The President and President-Elect may approve waiving the registration fee for special guests and outside speakers. Honorary members receive complimentary registration. A one-day drive-in fee may be approved annually; however, one-day attendees must pay for any conference meal functions and special events. The registration fee is waived for the winner of the previous year's First-Time Attendee grand prize. The current year's Individual Multicultural / Emerging Leader and Student Pre-Professional Annual Meeting Scholarship winners pay the registration fee out of their scholarship award.

AACRAO Representative

The invited AACRAO representative at a SACRAO Annual Meeting may receive a complimentary SACRAO registration fee and room for the normal duration (*Saturday – Tuesday nights*) of the conference (*effective February 2003*).

Given the Spring 2003 decision by AACRAO's Board of Directors to expand its for-profit ventures, the SACRAO Executive Committee determined that AACRAO's for-profit ventures would be treated as any other for-profit corporation. As in the past, not-for-profit member services and professional development activity participation will be welcomed. For-profit venture representation by AACRAO will also be welcomed, yet will be treated as that of corporate participation and incur associated participation fees (*effective June 2003*).

SACRAO Expenses

SACRAO reimburses the LAC account for the following Annual Meeting expenses:

- Registration fees (or event fees if not participating in the entire conference) for SACRAO invited guests, the AACRAO representative, honorary members (if not in suspended status), and the individual recipient(s) of the Student Pre-Professional and Multicultural / Emerging Leader Scholarships
- Hotel costs of invited SACRAO guests, including the AACRAO representative
- Costs associated with the following events: Past-Presidents' luncheon, State Presidents' luncheon, *Journal* Board breakfast, President's receptions, and any EC meeting meals covered by the LAC

Exhibitors/Corporate Partners

Companies who market their products and services to SACRAO or other similar organizations are expected to register for SACRAO as exhibitors and pay the exhibitor registration fee. The President of SACRAO must approve exceptions to this policy. Exhibitors will not be allowed to present an Exhibitor/Corporate Partner Session or co-present a session at SACRAO unless registered as an exhibitor for the conference.

Corporate Matters

Incorporation

SACRAO was incorporated in the State of Kentucky. Kimberly Taylor at the University of Kentucky is the registered agent. A verification report and renewal fee must be submitted annually by the SACRAO Treasurer to the Secretary of the State of Kentucky.

Logo

The current SACRAO corporate logo (*shown below*) is the official SACRAO trademark and will be used on all official SACRAO publications and engraving. The original logo was designed by staff at Phoenix Communications as a corporate partner contribution to SACRAO. In recognition of the addition of Puerto Rico to the SACRAO region in 2005, the staff at Data Supplies Inc. (DSI), as a corporate partner contribution to SACRAO, updated the logo. The logo may be used in black and white, or it can contain color. Any modifications of the logo and uses of color must be approved by the President of SACRAO or by the President's appointed coordinator for logo uses. Violations of logo specifications may result in action by the Executive Committee to withhold payment for publications and/or restrict distribution of publications. The logo, in digitized form, is held by the SACRAO President. Duke University's Publications Coordinator updated the most recent logo.

Web Address

The official web address of the association is www.sacrao.org. The Vice President for Information Technology is responsible for maintaining the website. The sacrao.org domain name is maintained via MemberClicks.

Tax Status

SACRAO has a nonprofit status of 501 (c) (6).

The Federal IRS Tax ID is 56-1451843. The SACRAO DUNS number is 023579217.

In most states, tax-exempt status for state sales taxes is not permitted for SACRAO. Currently, SACRAO does not have tax-exempt status in any state.

Financial

Management of Financial Assets

SACRAO's financial assets are maintained in checking and savings/money market accounts. The Local arrangements accounts are subsidiary accounts within the SACRAO treasury. Business debit cards are

designated for the Treasurer, President, President-Elect, and Immediate Past President to cover travel/conference expenses, etc. Cards are obtained from and returned to the SACRAO Treasurer.

Charitable Contributions

While SACRAO, as a non-profit association with members whose dues are largely paid by non-profit institutions, should not make a practice of redirecting its funds to charities, it is nonetheless appropriate to make a modest gift in honor of a speaker who does not accept a speaker's fee or honorarium. Such actions should be discussed by the EC prior to each annual meeting. (2010)

Travel Reimbursement

All travelers expecting to be reimbursed by SACRAO must make their plane reservations and purchase their tickets according to instructions given by the SACRAO President and Treasurer. This may include the use of the SACRAO debit card to buy airfare. The SACRAO President must approve any exceptions.

SACRAO members should arrange the most economical airfare available, consistent with the circumstances. A class of fare above standard coach will not be reimbursed unless approved in advance by the President. Travelers must make reservations at least 21 days before the trip to take advantage of the lowest fares. The President may ask travelers to make reservations and be reimbursed by the SACRAO Treasurer. Typically travel is reimbursed when travel is completed; however, the President can authorize reimbursement of pre-paid expenses such as airfare before completion of travel when the expense places the traveler under a financial burden.

If a spouse or guest is traveling with the SACRAO traveler, the ticket must be charged to the traveler's credit card.

Any side excursions or additional travel is included in the traveler's itinerary, and the entire plane ticket is charged to SACRAO. In that case, the reimbursement will be for no more than the lowest fare for a direct round trip available on the date the travel was arranged. It is the traveler's responsibility to provide documentation of this rate. The traveler will be expected to reimburse SACRAO for any additional amount.

Even though the travel may have been charged directly to SACRAO, originals of all receipts and ticket stubs or boarding passes must be attached to a travel expense report with the ticket's cost shown as a direct charge to SACRAO. Copies of itineraries are not acceptable in lieu of ticket stubs or boarding passes. If electronic ticketing is used, SACRAO members must still provide documentation from the airline or booking agency showing the ticket price.

SACRAO will reimburse automobile mileage at the applicable U.S. government rate for using personal vehicles for business purposes (2023 = \$0.66/mile) for the actual number of miles driven. Documentation of mileage, such as a copy of MapQuest/Google Maps directions, must be provided by the traveler with any mileage reimbursement request. The total mileage claimed must not exceed the cost of the lowest round-trip commercial airfare available when the trip was planned. If the trip's starting point does not have an airport so that equivalent airfare can be calculated, the nearest airport will be used as the equivalent starting point. Using personal vehicles to and from airports, including tolls, parking, etc., for SACRAO business trips are reimbursable expenses. Expenses incurred for additional lodging and meals because of travel by personal vehicle are not reimbursable. Receipts must be attached for any single expense exceeding \$25.

The use of a rental car is not reimbursable unless approved in advance by the SACRAO President. Its use should be financially or logistically advantageous to SACRAO, and a letter explaining the approval should be attached to the reimbursement request form.

If the traveler is able to use a discount airfare by traveling a day earlier or a day later than the meeting, and if the airfare saving is equal to or greater than the cost of an additional day's lodging and meals, then reimbursement will be made for the additional lodging and meals at the approved rates.

The SACRAO Executive Committee has set as a guideline the rate of \$45 per day for meals, including tips, for all individual SACRAO travel and small-group meetings such as the Nominations and Elections Committee meeting. If meal expenses exceed this daily guideline, the traveler must provide a written explanation. For larger meetings, such as Summer Planning Meetings or N&E meetings, the Federal per diem reimbursement rates shall be used. In all cases, expenses must not exceed the budgeted amount for each line item. (2010)

Receipts must be provided for any single expense exceeding \$25. When completing the travel expense voucher, the traveler should include only the meals paid for personally.

Hospitality or a business gift for a guest must be approved in advance by the President or President-Elect. Original receipts are required, including the amount, time and place, business purpose, and the business relationship to SACRAO for each person for whom a meal or gift was provided.

Usual charges for taxis, rideshares, limousines, buses, baggage, tips, parking, and business telephone calls will be reimbursed. However, they must be explained fully in the Travel Expense Report. A receipt must be attached for any single expenditure over \$25. Personal phone calls and other personal expenses are not reimbursed.

SACRAO does not provide travel insurance.

The SACRAO President must approve travel reimbursements. Travel reimbursement requests by the President must be approved by the President-Elect or, when it is not feasible for the President-Elect to do so, by the Immediate Past President.

Liability Insurance

SACRAO has liability insurance that covers all official meetings sponsored by the association. The President and the Treasurer coordinate the renewal of insurance.

Music Licensing Fees

Music licensing applications (ASCAP) must be completed prior to each meeting when music is being played as part of SACRAO-sponsored events (coordinated by the SACRAO President and the Local Arrangements Committee Chair); fees will be paid after the event by the SACRAO Treasurer. (1993)

Executive Committee Responsibilities

Description

This committee, established in the Constitution, is composed of fourteen elected officers who are voting members of the Executive Committee: President; President-Elect; Immediate Past President; Vice President for Recruitment, Admissions, and Enrollment Management; Vice President for Information Technology, Vice President for Distinct Populations and Programs; Vice President for Professional and Personal Development, Vice President for Records and Academic Services; Vice President for Topics in Higher Education; Vice President for States/Regionals and Membership; Vice President for Program and Evaluation, Vice President for Communication and Recognition; Secretary, and Treasurer. Ex-officio, non-voting members are the Treasurer-Elect; Corporate Partner Liaison, Past Local Arrangements Committee Chair; and the Local Arrangements Committee Chair for the upcoming Annual Meeting. The Committee serves as the governing board of SACRAO, acting for the membership and carrying out the wishes of the membership as expressed formally and informally.

The Committee meets twice a year: at the SACRAO Annual Meeting in February (*before and after*) and the Summer Planning Meeting in June. If necessary, a third meeting may occur at the AACRAO Annual Meeting. Videoconferencing (*two per year—April/May and September/October—since 2009*) is also held, and all members are expected to participate. Matters of urgent business requiring a vote of the Executive Committee may be handled via email or video conferencing. Motions will pass with an affirmative vote of a majority of the Executive Committee and will be recorded in the minutes of the next regularly-scheduled meeting as “Actions Taken.”

Filling an Unexpired Term

Article IV. Section 6. of the Constitution provides for the filling of unexpired terms. Vacancies occurring before the Summer Planning Meeting may be filled by rotation of those already on the Executive Committee, depending upon the vacated position. This provides the membership with the opportunity to review this decision. As the Constitution provides, the "two from any state/regional" limit is the only stipulation the Executive Committee should try to observe when filling a position. The membership entrusts the Executive Committee with this responsibility without going to any further costs or considerations. (1994)

President-Elect

Note: The responsibilities contained here do not include those outlined in the Program Planning Calendar shown under Annual Meeting Program Preparation. These two documents should be considered together to determine all duties of the President-Elect.

The President-Elect serves for an elected term of one year, which begins at the annual business meeting, although preparatory work is required before that. This officer's primary responsibility is the program for the next Annual Meeting. The President-Elect is also the principal assistant to the President and in the absence of that officer performs all the duties of the President. The President-Elect performs other assignments that may be delegated by the President.

The President-Elect's position requires a three-year commitment and institutional support, because this officer succeeds to the presidency of the association, followed by one year as Immediate Past President. If for any reason the President-Elect cannot complete the term of office, the Nominations and Elections Committee will nominate a slate of nominees and conduct a special election to fill the vacancy for the remainder of the unexpired term.

Attendance at the SACRAO Annual Meeting in February and the SACRAO Summer Planning Meeting in June is required. Expenses for the Summer Planning Meeting are generally paid by SACRAO. Institutional support of release time, secretarial assistance, e-mail access (Internet), and telephone access are other valuable assets for this position. Duties of Program Chairs

There are six Program Committee Chair(s) appointed by the President and reporting to the appropriate program Vice Presidents. The program committee chair leads a committee of approximately 8-10 members, whose primary responsibility is to propose and plan Annual Meeting sessions, workshops, fireside chats, and forums.

The Program Committee Chair solicits program ideas from committee members and other SACRAO members, compiles those program proposals with the appropriate Vice President, and presents them at the summer program planning meeting. Once sessions are selected, the Chair must coordinate the committee's activities in soliciting program participants, completing program data files, and continuing to monitor program sessions at the Annual Meeting.

Given the nature of the various committee charges and the overlap between session proposals during the program planning process, another committee might more appropriately sponsor a session proposed by one committee. It is understood that such program sessions might be moved under another committee during the summer planning meeting, and that committee would then take over the responsibility for that session.

Responsibilities of the Chair require attendance at the SACRAO Annual Meeting after appointment as Chair and the Annual Meeting for which the sessions are being planned. At these meetings, the committee chair will be expected to attend appropriate program planning meetings as the President-Elect calls.

Program Development Guidelines

When developing program proposals, contact the proposed presenters to discuss the proposed topic and determine their willingness to participate and attend the meeting if the proposal is approved at the Summer Planning Meeting in June. Ensure the participants understand this is a proposal and that you will notify them in late June of the decisions reached at the Summer Planning Meeting.

When contacting participants for a session, ask if they have already agreed to participate in another session at the Annual Meeting. If so, thank them for their participation and contact someone else. If an individual wants to commit to your session instead of the first one, you must contact the other committee member immediately so that they can select another participant. (*See Participant Criteria and Duplicate Participants*)

Use of SACRAO members in the program is encouraged, and their respective institutions are expected to cover all of their travel expenses to the Annual Meeting. If non-SACRAO members are recruited as presenters, SACRAO does not normally provide expenses for them. All exceptions (*and exceptions are extremely rare*) must be approved in advance of any commitment by the President-Elect and the President.

Presenters should be encouraged to use audio-visual aids and upload the presentation and any supporting documentation in the conference app, following the guidelines provided. SACRAO will provide audio-visual equipment, but presenters typically bring their laptops. Presenters must understand that limited resources will prevent SACRAO from responding to last-minute requests. In addition, SACRAO does not reimburse presenters for the cost of handouts. The President-Elect will confirm equipment needs with the Presenters.

The committee proposing the workshop and the vice president to whom that committee reports will handle pre-conference workshop proposals.

Participant Criteria

SACRAO wants to allow members to hear a variety of programs and presenters and to maximize participation among members. For this reason, there are some guidelines for the selection of participants:

- Participants (*presenters and session coordinators*) should participate in only one session.
- Exceptions: The same person may participate in one workshop and one session, in a session and a forum or fireside chat or user group, or two sessions if the second one is a continuation of the first.
- Sessions need both a coordinator and presenter(s).
- Panels should have three presenters and a coordinator.

Duplicate Participants

It is important to solve problems with duplicate presenters as soon as possible after the Summer Planning Meeting. To assist in this process, the President-Elect will provide the vice presidents and chairs with a list of duplicate presenters after the Summer Planning Meeting. It is the responsibility of the chairs to work out these problems with the individual participant and then notify the committee member of appropriate action. In some instances, two chairs may need to work together to solve a problem that affects more than one committee.

Suggestions for Committee Members

Pre-conference

Before the conference, committee members should:

- Make travel arrangements that will enable you to attend all scheduled meetings
- Develop two or more program ideas, including title, description, type of presentation, and possible presenters

- Plan to participate in all meetings set by the President-Elect, Vice President, and Committee Chair

Program Development

Plan to contact your session participants at least five times during the year:

- Soon after the Annual Meeting to confirm interest in developing a session
- After the summer planning conference to, let them know the session status
- During the fall semester to, remind them of the commitment
- Near the end of December to ask if any assistance is needed
- One week prior to the conference, as a last-minute check

Don't be discouraged if a participant is suddenly unable to attend. Make your Chair aware of the problem and immediately seek a replacement.

Ask participants to confirm to you in writing (*via email*). You will be more likely to get the correct information and less likely to have cancellations.

Make one last call to all participants within one week of the Annual Meeting to ensure no problems have surfaced.

Annual Meeting

Check to make sure participants have arrived.

Suggest that participants check their presentation rooms and let you know if they will need anything that is not there.

Tips for Developing a Successful Session

Don't offer the same program again next year. Even though the program was superb, please give it a different emphasis or use at least one new presenter.

Watch listservs for program topics and potential presenters.

Most programs should be of interest to a broad audience, such as both public and private, two-year and four-year, etc.

Make sure the title is catchy but descriptive. Many members decide which session to attend based solely on the program title. Similarly, session descriptions should clearly and concisely describe the topics and issues to be addressed.

As a committee, offer a variety of presentation types—workshop, forum, professional presentation, etc.

If you have several programs centered on one topic, such as Distance Education, make sure their content differs.

If a corporate partner is a presenter, there must also be a SACRAO institutional presenter, and the presentation must focus on the type of service or product generically. It cannot be a "sales pitch" for a particular product or service. If space allows, an "exhibitor track" of program sessions will be available to exhibitors on a first-come, first-serve basis. Those sessions can be used for any purpose the exhibitor wishes. Exhibitor track timeslots are paid for through the LAC, which determines whether (*and how many*) exhibitor track timeslots are available. A company must be an exhibitor at an Annual Meeting to qualify to pay for an exhibitor track session timeslot.

Consider having at least two presenters for a session so you don't have to cancel the session should one presenter be unable to attend. Also, if one presenter turns out to be weak, the second presenter should be able to carry the session through.

Watch for excellent programs at state meetings and other professional meetings and consider them for a SACRAO session.

Tips for Selecting an Outstanding Presenter

During the conference, attend sessions with similar or related topics to those you intend to propose for next year, looking for possible presenters.

Look for persons who ask good questions, provide knowledgeable responses, and articulate comments. These are good presenter possibilities for next year.

If you have not heard of a presenter, verify with someone who knows the person to confirm good presentation skills.

Make sure the person regularly attends SACRAO. If they do not, be very careful to get a commitment to attend the meeting.

Explain SACRAO's "one presentation per person" rule. It's OK for a person to be on multiple "proposed" sessions, but by the end of the Summer Planning Meeting, they can only be a presenter at one session. Make sure the person has not been contacted to participate in another session. SACRAO strives to have each person involved in only one session.

If the speaker presented this year, check their evaluations.

Do not schedule the same person as a Coordinator and a Presenter.

If you are having difficulty finding a presenter, consider contacting a SACRAO officer, committee chair, or state association president. You might also consider putting a request on a list-serve.

Suggestions for Committee Chairs

A few weeks after the Annual Meeting, send a message to each of your committee members, reminding them of their responsibilities and offering assistance if needed. Ask each committee member to propose at least three sessions.

As programs are submitted, please send a letter to coordinators and presenters thanking them for being willing to participate in the session, should it be selected. Tell them to contact you immediately if they have not been asked to participate. This will help you sort out problems very early.

Have a few names in the back of your mind to suggest as coordinators for last-minute cancellations.

If a committee member is volunteering to do a program, you are responsible for ensuring that person is a good presenter. If not, make sure other presenters are also on the program.

Use email for quick responses.

Proofread descriptions for content and grammar. Proofread titles for clarity. Edit where necessary.

Cautions

Don't volunteer to solve problems for committee members, such as finding coordinators. You will have enough work to do as it is.

Some people will volunteer to do programs because it eliminates most of the work of finding and tracking presenters. It is up to you to ensure this will be a good program.

Some people will want to repeat the same program because it is easy. Check attendance and evaluations to make sure this is a good suggestion. Also, consider some modifications.

Some people do not contact participants. Make sure you emphasize the importance of this step, and then follow up.

Appendix B: Annual Meeting Bid Requirements and Recommendations

Preparing a SACRAO Bid

Proposals to host a SACRAO Annual Meeting should include the support of the host state or regional organization (*such as CACRAO or FACRAO*), the proposed location, usual weather conditions for February, and the names of nearby SACRAO member institutions that have agreed to help with local arrangements.

Proposals should highlight special features or attractions of the area or the annual meeting facility.

The Immediate Past President chairs the Site Selection Committee. The following comments may be useful as proposed annual meeting locations are being considered.

Bids must guarantee the following minimum requirements:

Summer Planning Meeting

- Complimentary or discounted accommodations for the Summer Planning Meeting are usually held in early- to mid-June. This meeting generally requires 18-20 person lodging rooms for two nights.
- Meeting room space should be included. SACRAO does not encourage attendance nor provide complimentary meals or lodging for spouses/guests.
- Care should be taken to select dates that do not coincide with state association meetings.

Local Arrangements Committee Chair

This person must be able to serve for three years (*two as Chair and one as Immediate Past-Chair*), be located in or near the host city, and have given evidence of exceptional organizational skills through participation at state or regional levels. Essential talents are the ability to identify good workers and delegate responsibility. A good LAC Chair does not do it alone.

Hotel Facilities

- Hotel name, address, phone, and contact person
- SACRAO usually meets during the first two weeks of February (*Sunday thru Wednesday, with 3-day buffers at the start and end for those wishing to arrive early or stay late*); Note: Because hotels are less accommodating post-pandemic, the Executive Committee (6/2023) is providing flexibility to include any dates from February to early March, if needed. On the other hand, we do not want to get too close to our national association's (AACRAO) conference dates.
- The number of available bedrooms, with a reserved block of about three-hundred fifty (350) lodging rooms, with potential overflow nearby
- Proposed costs for single rooms, double rooms, and suites which are within the approved government rates for the host state
- Online hotel registration system for inclusion with conference registration information; Include policy for room release date and payment policy for holding room
- Complimentary suites for the President, President-Elect, and LAC Chair, and other complimentary

- VIP rooms as agreed by hotel/local arrangements and written into the contract
- Complimentary rooms policy or proposal (*Complimentary rooms are usually granted upon reservation of a certain number of lodging rooms.*) Note: *Post-pandemic, our events planner has informed us that hotels provide fewer consolations and a stricter room-to-space ratio.*
- Internet address or toll-free number for reservations, available beginning in early November; Include the cancellation deadline and any pre-payment requirements
- Overflow hotel space availability, procedure, and rates
- Friday night move-in for LAC, including LAC Chair suite, LAC room, Presidential Suite, and President-Elect Suite
- President and President-Elect suites are available through Noon on Thursday
- An appropriately sized hospitality area should be made available; Depending on the facility, it can work best to use a room that is not also being used as a sleeping suite, such as a meeting room that is otherwise not needed
- Alcohol and food from outside should be allowed in the hospitality room; If the hotel can provide catering for hospitality, doing so may decrease the liability risk if the hotel supplies the alcohol, but it usually increases the cost
- Complimentary parking and in-room internet connections should be negotiated for guests when feasible

Meeting Facilities

- Area for registration in a conspicuous location, with outlets for electrical hookups and internet access
- Convenient and secure room for Physical Arrangements Committee meetings and storage (*registration equipment, possibly A/V equipment*)
- Rooms for use by Evaluations and LAC Committees (*LAC Fri – Weds*)
- Sunday space for 2-3 concurrent workshops, registration area, Program Chairs/VPs meeting, First- Time Attendee Orientation/Reception, full evening reception, and an opening session (*after workshops, before the reception*)
- Available meeting rooms by size (*150-200, 100-149, 50-99, 30-49, under 30*)
- Breakout rooms (*at least 10-12*) at each time slot during the day on Monday, Tuesday, and Wednesday morning with a minimum of 5 rooms with a capacity of at least 75-100; Ability to convert 3- 5 rooms to workshop style
- An assembly room (*theater style*) for 700 for the opening session, Business Meeting (*Tuesday 10 A.M.*), and Wednesday Invitation Breakfast
- Ballroom dining for 600 at tables of 6-10 each
- Exhibit hall for 35-40+ exhibitor booths (*approx. 10'x10' each*); This space should not conflict with other meetings and must include space for hospitality service areas; After-hours security must be available, and all standard charges must be specified in the contract, along with what is included in the cost (*setup, tables, chairs, electricity, etc.*)
- Charges for meeting rooms (*SACRAO will generally not expect to pay for meeting rooms*)
- Saturday afternoon Executive Committee meeting, plus hospitality suite
- Space in the hotel or nearby for special lunches for Monday and Tuesday at Noon (*State Association Presidents and Past-Presidents, LAC Committees*)
- Tuesday Noon space for program committee meeting/luncheon
- Wednesday afternoon and Thursday morning meeting room for Executive Committee

Audio Visual

SACRAO has (1) regularly secured the services of a private firm/outside provider to manage the majority of the session needs (*refer to the Physical Arrangements section for specifics*) or (2) utilized the hotel's in-house AV company or convention center. Ensure this firm can provide services in the meeting facility and ascertain if any charges are involved.

Additional Considerations

- Preference will be given to hotels/facilities with comprehensive services and of such size that SACRAO will be the dominant activity
- The annual meeting rates should be available a few days before and after the meeting for attendees arriving early or departing late
- The ability to bring in A/V equipment or the names of approved providers and rates
- Space and policy for holding corporate partner equipment until the setup
- Availability and cost of duplicating facilities
- Ability to use a master account to bill charges to the LAC
- Support from the local convention and visitor's bureau or chamber of commerce to assist with promotional materials
- Distance from the airport to the annual meeting facility
- Availability, distance, and cost of transportation between hotel and airport (*include names of companies*); The host city should be easily accessible by air or via connections from a southern hub (e.g., Atlanta, Charlotte, Cincinnati, Dallas, Houston, or Memphis). The availability of alternate means of transport (*train, bus, interstate highway, etc.*) is a plus.
- Preference is to avoid Super Bowl and Valentine's Day weekends, but sometimes exceptions are made

NOTE: Contracts are normally signed, and room blocks are set three years out. This has not been the case since the pandemic began, and we are trying to get back to this. The contract should include a room block review clause allowing SACRAO to adjust the room block up (*subject to availability*) or down 10% eleven to six months before the meeting.

The Immediate Past President will contact state associations in the designated regions to invite them to submit bids for the conference four years hence. Bids will usually be reviewed by the Executive Committee at the Annual Meeting. Bids may also be reviewed at the Summer Planning Meeting. If there are no bids from the designated region, states in the next region in the rotation plan are invited to bid.

Appendix C: Multicultural / Emerging Leader Award Individual Scholarships

To increase the involvement of SACRAO members from under-represented populations, SACRAO offers up to four individual awards, a maximum of \$1250 each, based on self-nomination or nominations from the SACRAO membership. Individuals nominated must be persons in the SACRAO region who are members of an under-represented population and who deserve recognition for their contributions to their state associations. The application process for the individual awards begins immediately after each annual meeting. The scholarships must be used the year they are received; they may not be carried over to the following year.

The Vice President for Communication and Recognition should provide SACRAO Expense Reimbursement Vouchers (*available online*) to the scholarship winners. The scholarship winners should send the completed vouchers and receipts to the Vice President for Communication and Recognition, followed by the President for reimbursement authorization. The President will forward these documents to the Treasurer for payment.

A sample application for the Individual Multicultural / Emerging Leader Annual Meeting Scholarship follows. The schedule for the selection process appears in the responsibilities of the Vice President for Communication and Recognition.

Appendix D: President's Award for Outstanding Professional Presentation

It is awarded after the annual meeting to the SACRAO member who is judged to have presented the best session at the annual meeting. Consideration is given to delivery, preparation, relevancy, and session attendee evaluations.

The recipient will receive a plaque or framed certificate and a \$50 prize, recognized in the Newsletter and at the opening session of the next annual meeting, and submitted as a session proposal for AACRAO. Effective 2023, if the session is selected for AACRAO, the registration fee for that conference will be waived.

If a session with two presenters is judged best, both presenters will be recognized with the award. Sessions with more than two presenters are not eligible for the prize.

Selection Process

Immediately following the annual meeting and in consultation with the VP for Program Evaluation, the presenter with the highest scored evaluation will be submitted to the President for recognition. The session must have been presented by one or two SCARAO members, specifically, not non-members. To support awardee selection, it is important to highlight the importance of submitting session evaluations throughout the annual meeting.

Program Committees or the appropriate Vice President can also submit a recommendation for the award to the SACRAO President, commenting briefly on the presenter's delivery and preparation and the session's relevancy.

The SACRAO President, Past-President, and President-Elect will review these recommendations and evaluations for each recommended session and choose a recipient for the award.

Following the meeting, the President will congratulate the recipient in writing and include an appropriate plaque or certificate with the letter along with a \$50 check from SACRAO. Also, a copy of that letter should be sent to the recipient's supervisor or other designee of the recipient. The President will also submit an article announcing the award recipient for the next edition of the Newsletter. The recipient will be acknowledged at the opening session of the next annual meeting.

Finally, the recipient will be encouraged to submit a written version of the session for publication in *The SACRAO Journal* or the Newsletter.

Appendix E: Student Pre-Professional Annual Meeting Scholarships

These awards are for traditional, usually full-time, undergraduate or graduate students within the SACRAO region who have research or interest in the higher education admissions or records professions, generally working with or attending a SACRAO member institution, and show promise for advancing within the profession. The award is for up to \$1,200 for travel and accommodation to the SACRAO annual meeting, plus includes a registration fee waiver. The Professional Development Committee will determine the scholarship eligibility requirements and oversee the scholarship application review, with support from the EC.

Deadline: December 1. Late applications will not be considered.

Recognition will be based on many factors, including the following:

- Selection for participation in the upcoming annual meeting as a session presenter or poster presentation submission
- Previous participation in SACRAO through committee, presenter, or other activity
- Interest in the field of admissions, records, or area relevant to the mission of SACRAO
- Promise for further participation in the activities of SACRAO

The individual student, a State ACRAO president, the designated Professional Development representative of the State ACRAO, or members of SACRAO may complete the application.

The Vice President for Professional Development should provide SACRAO Expense Reimbursement Vouchers (*available online*) to the scholarship winners. The scholarship winners should send the completed vouchers and receipts to the President for reimbursement authorization. The President will forward these documents to the Treasurer for payment.

Appendix F: MOSIS Conference (*Historical Information Only*)

NOTE: In February 2003, the SACRAO Executive Committee voted to discontinue the annual MOSIS Meeting after the final meeting held in July 2003 in San Antonio, Texas. This decision was made for a variety of reasons, including dwindling attendance, lack of site proposals for future meetings, lack of volunteers for program and local arrangements responsibilities, tightened institutional travel budgets, and the emergence of several “competing” meetings, such as the AACRAO Technology and Transfer Conference and various user groups. The information listed below is included in this manual for historical reference.
